

# MOMENTS & VIGNETTES

Intense and exciting, the most thrilling and memorable moments of the last 50 years of the FIFA World Cup™, selected by top producers from the world's greatest football archive.

With the help of world-class producers and leading facility houses, the FIFA Archive is now making full use of its golden heritage of film and television material, to create a range of high quality offerings for television.

Together with Infront Archive Management Limited, it has planned and produced a range of FIFA World Cup™ action vignettes and "moments" that are ideal as fillers and equally effective and exciting when compiled into longer programmes.

The decisive goals, the tears, the agony, the penalties, the "Hand of God", the handsprings, the celebrations, the frustration, the disputes, the "ifs" and "if only's" that echo down the years and still command a powerful emotional response from fans throughout the world. Compelling programming in a flexible format.

#### **A-Z of FIFA World Cup™ Football** *100 x 60 second vignettes*

The A-Z of Football consists of 60-second vignettes of the most spectacular action from exclusive film footage from the 1954-2002 FIFA World Cups™. Capturing varied and exciting aspects of the world's greatest event, these thrilling slices of action work well independently or as part of a wider programme.

A journey through to the greatest show on earth, the A-Z of football is an alphabetical lesson in FIFA World Cup™ history.

#### **Top 20 FIFA World Cup™ Moments** *1 x 52 minute programme*

The Top 20 FIFA World Cup™ Moments count down, in reverse order, the top 20 FIFA World Cup™ moments of all time. Seventeen tournaments in 72 years of competition have produced so many thrilling and memorable moments that this selection - the greatest and most famous - reflect our view of what captures the essence of FIFA World Cup™ magic. Even the selection itself could be controversial, as audiences debate which were the most memorable goals, seminal moments, epic game or shock result.
